"This advertisement is an invitation to treat. It is not an offer capable of unilateral acceptance. Airwork (NZ) Limited reserves the right to not accept trade-in units from or to refuse the sale of the KT74 to any person. Information, pricing and other details in this advertisement are subject to change without any notice. The Exchange Price is based on the model being traded-in, as per the table overleaf. For a full list of qualifying products, please visit <http://www.bendixking.com/Trade-Up/Qualifying-Products>. Please make sure you have the old equipment make, model and serial number available when you contact Airwork (NZ) Limited about the trade-in program. Trade-in units are to be sent to Airwork (NZ) Limited, Attn: Simon Cometti, 487 Airfield Road, Ardmore, Auckland. Trade-in units must be sent 20 days after the delivery of the new unit. If the trade-in unit is not sent to Airwork (NZ) Limited, you will be invoiced the difference between the Trade-Up Price and the Exchange Price. Airwork (NZ) Limited may withhold the installation or delivery of the new unit, or any associated products and services, until such time as the difference is paid in full. Additional labour, wiring and equipment will be quoted to you and carried out by Airwork (NZ) Limited. All sales under this program, installation work, wiring and equipment are supplied under the standard terms and conditions of Airwork (NZ) Limited which can be found at: http://www.airwork.co.nz/uploadGallery/Airwork_Terms_and_Conditions_December2011.pdf.

FROM **\$2,245 USD**
WITH EXCHANGE

BendixKing[®]

P/N 89000007-002001 KT 74
ADS-B Out Mode S ELS Transponder

Designed for the next generation requirements, the KT 74 meets global mandates for Automatic Dependent Surveillance-Broadcast (ADS-B) OUT*.

It is also a plug and play, slide-in replacement for BendixKing series transponders.

Additional wiring and equipage for ADS-B compliance is needed.

Current Model	Trade Up KT74*	Exchange Price*
KT 70	\$2,995	\$2,320
KT 71	\$2,995	\$2,320
KT 73	\$2,995	\$2,245
KT 76	\$2,995	\$2,845
KT 76A	\$2,995	\$2,770
KT 76C	\$2,995	\$2,445
KT 78	\$2,995	\$2,770
KT 79	\$2,995	\$2,695

**Prices exclude GST, delivery and importation costs.*

BendixKing has received FAA approval for the installation of its KT 74 ADS-B Out compliant transponder on a broad list of popular light helicopters and fixed wing aircraft.

An approved model list (AML) supplemental type certificate (STC) approval is now available for popular airframes.
