Approved service centre.

**\*Terms and Conditions:** This "SPOT Tracker" promotion is only available to customers who purchase transmission exchanges or overhauls from Airwork (NZ) Limited between November 1 2016 and June 30 2017. On payment of the invoiced amount for the exchange or overhaul, the Customer will be sent the SPOT Gen3 Satellite GPS Messenger and a promotional code that will be used upon registration of the SPOT device to give the Customer 12 months' free access on the Basic Tracking Plan with unlimited track points, valued at USD\$ 164.99. To continue using the SPOT Gen3 Satellite GPS Messenger after 12 months, the Customer must extend their Basic Tracking Plan at a minimum cost of USD\$ 164.99 plus a USD\$ 14.99 Network Maintenance Fee, at the Customer's own cost. The Customer accepts that Airwork (NZ) Limited is not responsible for support of, claims regarding, condition of, or any other services relating to the SPOT Gen3 Satellite GPS Messenger. For any product related support or queries regarding the SPOT Gen3 Satellite GPS Messenger, please contact SPOT at +1 905 712 7117 or <http://au.findmehelp.com/en/contactus/>. Visit <http://au.findmehelp.com/en/> for full product and rate plan terms and conditions. Costs for transmission exchanges and overhauls, and any associated services, will be quoted to you and carried out by Airwork (NZ) Limited. All sales under this program, installation work, wiring and equipment are supplied under the standard terms and conditions of Airwork (NZ) Limited which can be found at: <http://www.airwork.co.nz/content/about/terms-conditions.aspx>. This promotion is valid until June 30 2017, or while stocks last. Airwork reserves the right to cancel this promotion without notice at any time.
